To whom this may concern,

I can confirm that I used to use the path outlined in the map attached.

Please could you describe the knowledge of the route in your own words, explaining when you used it first and last, how did you use the route, how often and if you stopped using it then why you did so. Please also describe the purpose of your journeys and if you used to see other people using the route.

**MY USE OF THE ROUTE (Please describe your use as suggested above)**

I regularly used this route as part of my daily walk along the riverside (taking in the Customs House then to Little Haven – it is a picturesque, safe route where I always came across other people walking their dogs, cycling, just getting fresh air. I last used the route shortly before the gate was put up blocking access, I now have to walk through the back of houses and past waste land which cuts short this beautiful route.

Dear Sir/Madam

I wish to write in support of the application to restore the public walkway currently blocked off by South Quays Management so all members of the public can enjoy access, not a select few.

I have lived here for 15 years and have used this walkway as part of my regular walking route, enjoying the beautiful scenery and being able to stop and take photographs along the river. It is part of a well-known, well-used and popular route. When buildings were being erected we sought assurances that this access would remain, and were told it was for the public to use and enjoy.

Aside to the removal of part of many people's walking, cycling and jogging route, erecting a steel gate in this manner and blocking off the walkway for private use is a fire and safety hazard. The developer now has boats with tanks of diesel moored very close to living accommodation, it is an accident waiting to happen.

Talking to neighbours and residents not one person I have spoken with has said they are in favour of the walkway being blocked off. It is just morally unacceptable for land which was supposed to be enjoyed by the local residents to be accessed only by those who can afford to buy property next to it.

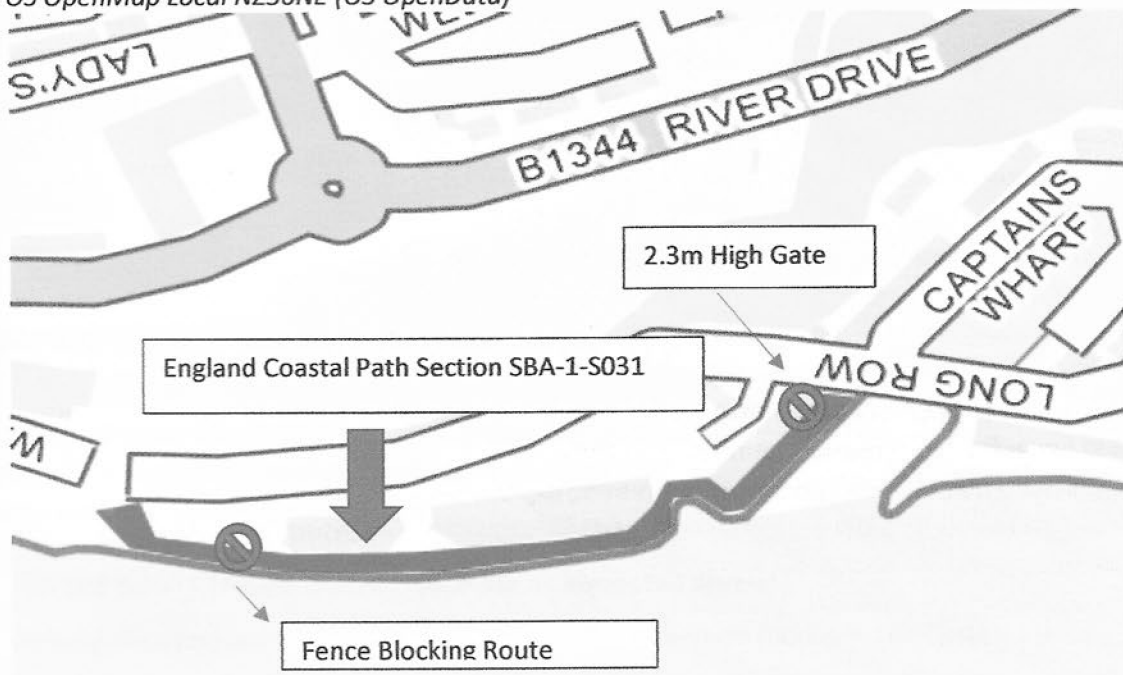

I therefore request that this walkway is reopened and given back to public use.

Yours faithfully

## MAP OF THE APPLICATION ROUTE

Please annotate the map with anything that is referred to in your statement, and confirm you agree to its contents, by putting your initials on the map and date it. **DO NOT ADD YOUR FULL SIGNATURE.**
