I confirm that I have walked on the England Coastal Path section SBA-1-S031, a long-distance national trail and public footpath outlined in the map attached on page 2.

Please describe your knowledge of the route in your own words.

1. When did you first use the route and what was the purpose of your journeys?
2. Why did you stop using the route and when?
3. How often did you use the route?
4. Did you see other people using the path?
5. Any other information you consider relevant?

MY USE OF THE ROUTE (Please continue on a separate page if required)

I first used the route when my children were in the Sea Cadets many years ago at least twice a week and still used it when they grew up. I found it a nice restful & peaceful walk looking at the River. We have a beautiful coast line which should be available to be enjoyed by all.
