I confirm that I have walked on the England Coastal Path section SBA-1-S031, a long-distance national trail and public footpath outlined in the map attached on page 2.

Please describe your knowledge of the route in your own words.

1. When did you first use the route and what was the purpose of your journeys?
2. Why did you stop using the route and when?
3. How often did you use the route?
4. Did you see other people using the path?
5. Any other information you consider relevant?

**MY USE OF THE ROUTE** (Please continue on a separate page if required)

We often walk along this route, especially with the dog. It should be public access as so close to the Riverside. Never should have been blocked off. See lots of people walking, alone & with dogs, who would use path.

Date: 28/5/21
