

Dear Sir/Madam

I have been made aware of an application to reopen the public walkway currently blocked off by South Quays Management and wish to give the application my full support.

When I visit the town centre, I park near the Customs House and the route from here to the Sea Cadets Headquarters, had become part of my and my wife's regular walking route. I used to work in the shipyards so it is a lovely trip down memory lane.

However, I was dismayed in recent months to find a private company has now blocked off and secured what is a public walkway, as well as creating a health and safety hazard due to boats moored so closely to the housing.

I therefore ask that you give this application for its reopening serious consideration and restore a popular public walkway to the public.

Yours faithfully
