I confirm that I have walked on the England Coastal Path section SBA-1-S031, a long-distance national trail and public footpath outlined in the map attached on page 2.

Please describe your knowledge of the route in your own words.

1. When did you first use the route and what was the purpose of your journeys?
2. Why did you stop using the route and when?
3. How often did you use the route?
4. Did you see other people using the path?
5. Any other information you consider relevant?

MY USE OF THE ROUTE (Please continue on a separate page if required)

I have been unable to access this route since February, 2020. It means altering my walking routes as a result and I've always found it a little odd that it's blocked off. Also, it could be a precedent for other walking areas to be closed off nearby.
