MY USE OF THE ROUTE (Please continue on a separate page if required)
Since we have been living at market dock last 20years, we have enjoyed walking along the river of ECP (England Coastal Path) varies times of the day.  This has been our routine.
Suddendly one day about two years ago, 2.3m high steel gate was installed whithout any public knowdge.
We were no longer able to walk along this section of the ECP because of this 2.3m high steel gate has prevented us using this part of the ECP.

It was part of our daily rebular walking/jossing route Since 2012, we have lived in Market Dock.

the main reason for buying a house @ Market Dock housing estate was to be able to simply walk out of the Front door, enjoy walking jobbing along the river wakway, socialise with neighbours, visitors, enjoy the view accrose the water.

The Walkway must Reopened Soon AS POSSIBLE.
And to Allow the Public to use it as Previously.
