To whom this may concern,

I can confirm that I used to use the path outlined in the map attached on page 2.

Please could you describe your knowledge of the route in your own words, explaining when you used it first and last, how you used the route, how often and if you stopped using it when & why.

MY USE OF THE ROUTE (Please continue on a separate page if required)

I walked with my grandchildren on the path. They loved it and now you are taking it away from us. I lived here for 21 years, what would happen if we did anything like that? How would these people feel who have only lived here for a few years? I don't think they would like it.
